Al S. Alcalá, P.E., L.S. joins TLA Engineering & Planning, Inc.

Roseville, CA – April 30, 2007 – TLA Engineering & Planning, Inc. (TLA), a California Corporation providing entitlement, permitting and construction documents for Clients in the Greater Sacramento Valley region, today announced it has hired Mr. Al S. Alcalá.

As TLA's Project Manager, Al will be responsible for developing and managing client proposals, scopes of service, project budgets and schedules. He will also prepare of improvement plans for a variety of commercial and private land development projects.

TLA, based in Roseville, California, is a design and engineering firm dedicated to providing a full-range of services to private and public Clients. Established in 1985, the firm specializes in planning, designing, engineering and managing projects that range from small residential developments to large mixed use projects. Experience earned over many years and across all varieties of development projects provides the necessary foundation for a wide range of capabilities. Each project is undertaken with an eye towards providing solutions that allow projects to proceed smoothly. Our extensive work with government agencies provides Clients with a knowledgeable ally in moving a project through to completion. TLA's particular expertise in hydrology and hydraulic engineering has been valuable in our work throughout the Northern California region.
