**Promotion of Brad Shirhall to Director of Planning**

**Roseville, CA – August 5, 2008**– TLA Engineering & Planning Inc. (TLA) has promoted Brad Shirhall to director of planning. In addition to being responsible for managing and assisting in the preparation and processing of entitlements for private sector land development projects, Brad will also direct the efforts of the Planning Department personnel. Brad has 18 years experience in planning and land development, in both the public and private sectors, and has been with TLA for 3 ½ years.

*TLA Engineering & Planning, Inc., based in Roseville, California, is a design and engineering firm dedicated to providing a full-range of services to private and public Clients. Established in 1985, the firm specializes in planning, designing, engineering and managing projects that range from small residential developments and mixed use projects to large master planned communities. Experience earned over many years and across all varieties of development projects provides the necessary foundation for a wide range of capabilities. Each project is undertaken with an eye towards providing solutions that allow projects to proceed smoothly. Our extensive work with government agencies provides Clients with a knowledgeable ally in moving a project through to completion. TLA's particular expertise in hydrology and hydraulic engineering has been valuable in our work throughout the Northern California region.*
